

Our solutions

We optimize payments and facilitate operations management for restaurants, takeaway, hotels, bars and nightclubs.

Beer tap system

Improved quality and full control of poured beer

Liquor system

Gain control of your liquors and aperitifs

POS-system

Supports your entire business; from bookings, table management and ordering to the logistics

Kiosk

Reduce wait time and increase upselling with self-service kiosks

Self-service Beer wall

Allows your customers to pour beer, wine or soda from taps on a wall using a prepaid card

My Trivec

Access all relevant data from your restaurant with our web portal

Kitchen Display System

Increase efficiency and organize your kitchen. Track orders and minimize mistakes

Trivec Handy

A mobile solution for quick tableside ordering for the waiting staff

Trivec Buddy

A web-based product for mobile ordering and payment for the guests

Trivec GO

A full-scale POS system that supports all your processes in a tablet
